An Educator's Overview

Scholarships.com has been helping students pay for college since 1998. How does it work? And how can educators get involved?

The Scholarships.com team vets every scholarship in our database for **authenticity** and **accuracy**. Once the awards have been vetted, they are **sorted** by eligibility criteria, amount, and deadline.

When you **sign up** for an educator account, you gain access to a list of top scholarship opportunities and detailed resources to support your students. You'll also receive **weekly emails** with the latest scholarship information available; we'll always keep you **informed** so you and your students don't miss out.

On Scholarships.com, students are **matched** with awards based on their personal circumstances. **Encourage** your students to sign up so they can apply for-- and **win!**-- the best scholarships out there, hassle-free.
